

GLOBAL GROUND TRANSPORT SOLUTIONS

Magellan Global has offered its customers reliable and safe private airport transfers in the Netherlands and the United Kingdom since 2006. In 2008 we expanded our service to offer a truly Global service to our clients. As an independent broker, we only work with the best local suppliers that meet our strict quality requirements regarding the quality of private transfers, on-site service and insurance conditions.

#### Transparent rates

The rates quoted online are the rates you actually pay! You will never face additional charges or insurance premiums later in the reservation process or upon returning home.

#### Choose the car you want

Magellan Global offers its customers a wide range of options. The various vehicle types we offer ensure you always have the car that best suits your needs. We can also be of service to those who would like extra assistance with upgrades to our services.

#### Meet and greet

Corporate travellers usually want to move quickly from and to the airport. Therefore we make sure that our drivers meet you at the airport with an agreed name sign. You do not need to search for the driver, we will find you and escort you through the airport and take you safely to your destination

Imagine not having to wait at customs and immigration, having your bags carried to a waiting Mercedes and being whisked off to your destination whilst some passengers are still waiting to get off the plane!

Magellan Global are the world's leading airport based ground transport solution - in fact we provide our first class service at every major airport in the world for some of the biggest airlines around.

The key points of the service we offer our clients are:

- The highest possible quality of service
- First class service all the way
- Door to door
- Unique offering at many locations
- Centralised billing and reporting
- Tailored to your needs

We really can make your journey smoother from your home to your destination.

We pride ourselves on our customers. After all, they're the ones who put their trust in us. They recognise the degree of reliability, security and accountability we offer, and the contribution we can make to their success.

Friendliness and customer satisfaction are the keys to our success. We ensure you reach your destination safely, on time, and with the minimum of fuss.

We have access to over 1,000 suppliers worldwide. That's over 100,000 vehicles at your disposal, 24 hours a day, 365 days a year.

We use only use fully-licensed, fully insured suppliers, so you're assured of clean, safe vehicles and safe driving.

One phone number is all you need. No matter where you are and what time it is, you call us and we take care of the rest.

For those travellers who prefer an easy to manage, high class, private transportation service to and from airports, seaports and major railway stations worldwide.

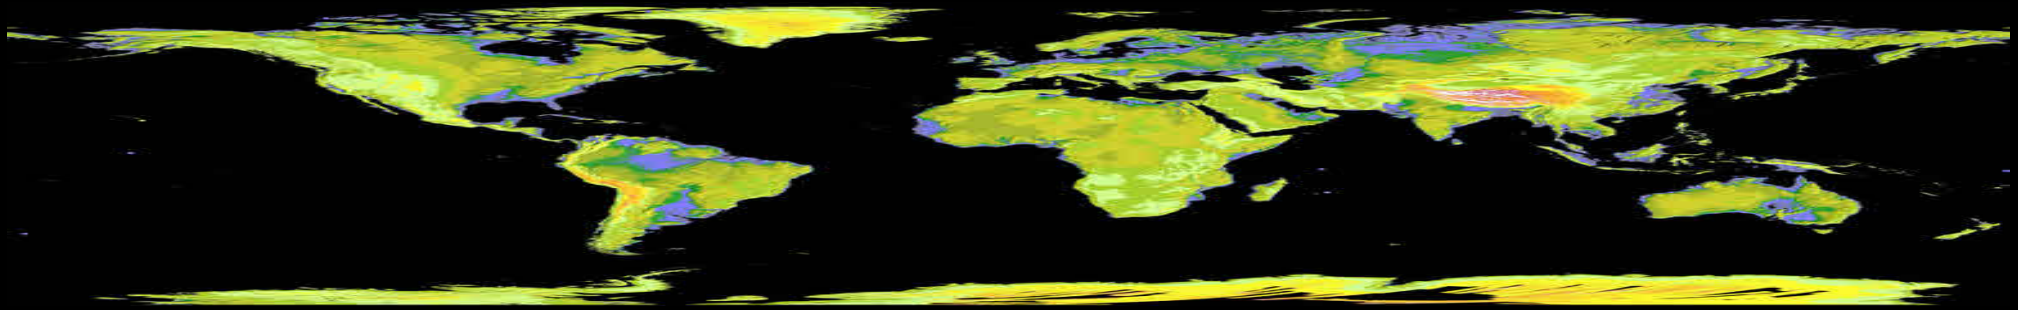

All bookings include:

- Flat fee based and easy to book
- 24 hours reservation and support service
- Meet and greet services at the airport of your destination
- Minimum Mercedes E class or equivalent
- Upgrade to S class or luxury van up to 8 passengers possible
- Chauffeur driven services at an hourly rate (minimum 3 hours) on request

With a 24 hour reservation and support service, Magellan Global ensures your travel needs are met simply and efficiently.

You benefit from our premium car service network, a better way of connecting to your flights, cruise or train than any other type of transfer.

You will be met directly after baggage reclaim by your driver who will assist you to your booked vehicle and drive you straight to your

In June 2011 we expanded our network to over 70 countries:
